SUPPLEMENT TO REPORT NO.

- 1. According to Could Rican officials. Juan Bosch is staying in San Jose to assist Jose Figueres Ferror, former Junta President of Costa Rica, in the preparation of his campaign for the next presidential elections. According to Foreign Finisher Mario Tahandi. Juan Bosch stated that Figueres was a man of too broad a scope to cedianno himself solely to small Costa Rican politics and that he had be greater festion.
- 2. Figures and Bosch have been seen at various times with Carlos Pascs, Pedro Abreu, Francisco & Orlich, Pario Colocechea, Gonzalo Facio, and Oton Acosta, It would appear from the remarks of Bosch to Mario Echandi that, although this group is interessed in having Figures as President of Costa Rice, their socialistic plans to farther. Their ideas possibly are based on long-range planning for future Caribbean untilication, and on a higher level than that of the plane revolutionary figures.
- 3. Source has received various reports that Figueres was trying to buy the redic station La Voz de la Victor in Son Jose, from Perry Cirton, the present comer, but as yet the sale has not been made. The price was said to be eight hundred thousand colones, but that Figueres did not wish to pay it all in each. Girton stated that he had refused the Figueres offer, adding that he could not understand why the negotiations always had to be conducted in such secrecy, with meetings hald after widnish.
- 4. As unconfirmed report covering a recent flying trip to Cuba by Juan Bosch claimed that it was to arrange for the purchase of the radio station in Vos de America is CVO of Valuesa, for the sun of two hundred and eighty thousand coloues.
- 5. Bosch also is reported to be buying the Chomes fines for three million colones. Chomes, formerly the property of Rafael Angel Calderon Guardia, is located across the bey from Processenas. Regetiations are also said to be under vey for the purchase by Roser of about ten and a half across of a coffee plantation in the airport area.
